### **GENEALOGY**

Currently the records of William Madison Wall's descendants, available at the LDS Family History Library, amount to nearly 350 pages of family group sheets. These records have been organized and arranged according to William Madison Wall and each of his five wives: Nancy Haws, Elizabeth Penrod, Emma Ford, Susannah Gurr and Sarah Gurr. Because of the extensive and ever changing nature of these Wall posterity records, they have not been included in this record. They are readily available for review and additions at all of the local LDS Stake Family History Libraries.

The following family history information outlined the direct-line ancestors and posterity of William Madison Wall as covered in the preceding historical narrative.
